

MEMO FOR DCI

10 Jun 80

From:

STAT

1. I received a call this morning from a Dr. Gilbert who works for Mr. Cecil Barker, President of the Orbiting Astronomical Observatory Corporation. Dr. Gilbert is requesting an appointment for Mr. Barker with you to discuss the U.S. security relationships with  I explained you would not be available until the end of June -- that's fine with them. Shall I set something up near the end of the month?
